Knights of Columbus

Father Daniel J. Kennedy Needham Council # 1611

Serving the Needham Catholic Parishes and Town Community since 1912

Father Michael J. McGivney founded the Knights of Columbus in 1882 at St. Mary's Church in New Haven, Connecticut, as an organization committed to Unity as a Catholic lay organization, Charity to those in need and Fraternity with fellow brother Knights.

Today, over 1.8 million Knights and their families remain true to these principles and work to spread these values around the world, including not only all of the United States and Canada, but Mexico, the Philippines, Cuba, and Poland.

The Knights of Columbus, headquartered in New Haven, Connecticut, is the largest Catholic lay organization in the world. We are traditionally among the first in responding with financial aid and moral support in disasters such as 9/11, Hurricane Katrina, and the Haiti earthquake. We support religious freedom, patriotism and the right to life for all.

You and your family will benefit from membership in the Knights of Columbus. Join today to help make a better tomorrow!

Grand Knight's Remarks

On the occasion of the 100th Anniversary of the Father Daniel J. Kennedy Needham Knights of Columbus Council #1611, we look back on a century of Charity, Unity, Fraternity and Patriotism. These ideals were originally laid down by Father Michael J. McGivney when the order was founded in 1882 at St. Mary's Church in New Haven, Connecticut.

The Charter of the Knights of Columbus granted Needham, Massachusetts a Council founded by fifty-eight Catholic men. While there were many obstacles to obtaining a Council in Needham, we praise our founding members who looked to advance the cause of the Catholic Church in this community. Frank A. Maloney was chosen as the Council's first Grand Knight, and since then sixty-nine men have held the prestigious title.

In 2009 we re-named our Council "Father Daniel J. Kennedy Needham Knights of Columbus Council #1611" almost two years after the untimely death of Father Kennedy. Father Kennedy was a Needham native, a parishioner of St. Joseph's Parish, ordained a Priest in 2007 and a member of our Council. Every year since 2009, we host a Memorial Mass for Father Kennedy honoring the memory and short life of Father Kennedy who was taken much too early from us.

Since 1912, this Council has been involved in many service projects for individuals, the Catholic Parishes we serve (St. Bartholomew's & St. Joseph's in Needham and Mary Immaculate of Lourdes in Newton), the Needham community, surrounding communities, state programs and international projects. And here are a few of the many...

Individuals:

Our annual Super Bowl party, where all the money raised goes to the Seminarians that we sponsor.

Catholic Parishes:

We have purchased prayer books for the Saint Joseph's CCD high school students, prepared and served food at the St. Bartholomew's family cookout, and donated money that was raised from our pancake breakfasts to the CYO programs of Mary Immaculate of Lourdes Parish.

Needham Community:

Holding food drives within the Council and activities for the Needham Community Council, sponsoring a Needham Little League team and visiting the residents of the Briarwood Nursing Home on a monthly basis.

Surrounding Communities:

We have served meals at Fr. Bill's Place Homeless Shelter in Quincy, prepared meals for the Poor Clare Nuns in Jamaica Plain, monetary donations to the Little Brothers of

Saint Francis in Mission Hill, and have held social gatherings with the retired priests of the Archdiocese at Regina Cleri in Boston.

State Programs:

The annual Tootsie Roll Drive is a wonderful example how members from our very own Council take time out of their schedule on weekends during the fall to collect donations and distribute tootsie rolls. All money raised goes to the State Charitable Fund, where we are able to access funds used for any individual that may be mentally challenged or handicapped. In 2012, we purchased a new stair-lift for a Needham resident with these funds.

International Programs:

Our Council has teamed up with the Lt. Manson Carter VFW Post #2498 in Needham to collect items for military personnel while in the battle fields serving in Afghanistan and Iraq.

While the Knights of Columbus is a male only organization, we hold our families to the highest regard and just about all of our social events are open to our families, friends and the public. As an international family, the Knights of Columbus is the largest Catholic organization in the world with over 1.8 million members and 15,000 councils throughout the United States (including Puerto Rico and the Virgin Islands), Canada, Mexico, the Caribbean, Germany, Guatemala, Panama, Dominican Republic, the Philippines, Guam, Spain, Japan, Cuba, and most recently in Poland.

On behalf of the members and Officers of the Father Daniel J. Kennedy Needham Knights of Columbus Council #1611, we are proud to have played a small role in the 130 year history of the Knights of Columbus. And we are honored to celebrate our 100th Anniversary with you and appreciate your support since 1912. We are looking forward to what our Council has to offer over the next 100 years.

Yours sincerely,

Michael J. Riley

Our Founding Brothers

On Saturday April 27, 1912 the Needham Chronicle published an unprecedented supplement complete with photographs reporting on a recent tragedy - the sinking of the Titanic. In that same issue under the Needham Notes section was this two sentence entry: "Needham Council. Knights of Columbus, met last night in G.A.R. Hall. Much interest is being shown in this latest of Needham societies." At this meeting with the assistance of Newton Council # 167 and Waltham Council #147 a Needham Council, soon designated #1611, was formed. Fifty-eight names are listed on the framed charter prominently displayed in the Council office; but a reading of these names tells us little about these pioneers.

It's obvious from the surnames that they were overwhelmingly of Irish descent (further research would show that even those with non-Irish names most often had a mother who was Irish.) In that none of these original 58 are around to interview (I did speak to the 88 year old son of the youngest charter member), Needham Town Reports, Federal Census Records, Draft Records, and other sources available at the Needham Library were researched to obtain a profile of these founders; the neat but sparse minutes of the meetings of the Council's first year in the Council's archives were also consulted.

Almost all were native born young men between the ages of 25 and 35. Most were married (or soon to be) and most had started or were soon to start a family. Many owned their own homes but a few of the single members resided in the homes of their widowed mothers, others rented, were boarders, or obtained housing provided by their employment. They lived throughout the town, although a cluster of members lived downtown in the "tree streets." Maple, Linden, Walnut etc. There was also a small contingent that lived in Newton Upper Falls. They pursued a wide variety of occupations, including: plumber, machinist, doctor, lawyer, druggist, store clerk, electrician, insurance agent, sewing machine and piano dealer, college freshman, chauffeur, dry goods salesman, mason, railroad brakeman, special policeman, bookkeeper, carpenter, and mill worker. Of those married I found no record of any of their wives working outside the home. A dozen names of the charter members also appear on the Council's Roll of Honor. It is believed that this list credits those who served in WWI but inclusion on the list does not mean actual service overseas as Needham had a significant Home Guard.

Once formed, the Council got right to work. They met on the first and third Tuesdays of each month at Kingsbury Hall on Great Plain Ave and meetings which began at 8PM would often adjourn after 10 or 11. The formation meeting's first order of business was the election of officers and the second item was fundraising. The next meeting featured the installation of officers by Natick Council # 79 and then moved to the banquet hall for refreshments, music, and speaking. For many meetings to come the focus was on reports from the by-laws committee as they drafted by-laws and thrashed over the issue of dues. But it was not all work and no play for in an early meeting they voted to organize a baseball team and also to hold a Ladies night "in the near future." There were also charity to consider and in its first year there were donations made to Catholic University and the "Flood Sufferers" (the Mississippi had devastating floods in 1912).

They also purchased 50 hymn books. The only contribution to the local parish was the purchase of a half page ad in the parish's Lawn Party program. Interestingly the legality of this motion was questioned at the next meeting but the motion to reconsider failed. In addition it was pointed out that Lawn Party volunteers from the Knights had to be approved by the pastor. Also in this first year a letter was sent to the chaplain requesting his attendance at meetings. All this suggests a degree of uneasiness between the pastor and the KofC. At this time St. Joseph's was a mission of St. Mary's in Newton Upper Falls (St. Joseph's did not gain parochial status until 1917). Rev. Lapomarda S.J. in his history of the Massachusetts KofC says that Archbishop O'Connell has reportedly told his priests that "These Knights will lead you, but you cannot lead them. They are not susceptible of management." Any disagreements were set aside in Feb. 1913 when an electrical fire caused the wooden St. Joseph's church to burn to its foundation. At its next meeting the council expressed their sympathy to the pastor and subscribed \$50 (most of its treasury) to the rebuilding effort.

Other programs mentioned in the minutes were a smoker (\$7.00 spent on cigars), a presentation on the lives of Pope Pius X and Cardinal O'Connell, a talk by a Somerville brother about "our Great Concern" (?), a story featuring Water, Whiskey, and Worms, a piano and music program. Singing was a regular feature of council meetings as the open and closing odes were sung by all. Despite their singing ability they decided not to put on a minstrel show that year.

As for outside activities it was reported that first, second, and third degrees were held at Dedham Council #234. As for outside presence the District Deputy was recorded as attending two meetings, while the State Deputy was at one.

The only other visitor of note was Massachusetts Secretary of State, Frank A. Donahue, a brother Knight from a Boston council and, I believe, a cousin of a Needham council member. Donahue, a Democrat, was elected Secretary in 1912 when the Republican vote was split due to the presidential contest between Taft and T. Roosevelt. (Of interest to some 4th Degrees the same election saw the election of Lt. Governor David I. Walsh.) As for politics all of our Needham members were listed as paying their \$2 poll taxes and were qualified to vote. Only one, our Recorder, held town-wide elected officer as Assessor. It can be assumed that as Irish Catholics most of our members voted Democrat. Six of the founders were elected to the Democratic Town Committee, one was appointed the Democrat Registrar of Voters, and three were designated as Democrat tellers in the primary election. One member was elected to the Republican Town Committee in 1919, interestingly he had previously been on the Dem. T.C.

In October 1912 the council had a second election and the DGK was elected GK while most of the other offices remained the same (the first GK became Trustee).

One of the last actions of this first year was the establishment of a building committee. Although a building wasn't completed until the 1950's we should still be very thankful for all that these 58 Catholic gentlemen accomplished. They laid the foundation for a council that a hundred years later is one of the best in the state and one that has outlived 30 of the 117 Massachusetts councils founded before it.

History of the Building Association

Needham Knights of Columbus Building Association, Inc. was formed as a Massachusetts corporation in the Secretary of the Commonwealth's Office on March 1, 1921 to own or lease real estate for charitable purposes, primarily for the use of Council #1611 pursuant to directive from the Supreme Office of the Knights of Columbus regarding ownership or lease of council premises. The Articles of Incorporation were amended in 1972 to permit the Association to lease portions of the premises to business lessees so long as the principal portion of the building was used by the local council for meeting rooms and charitable functions. The current building was constructed in two stages. The original building itself consisting of the current ground floor was constructed primarily by members of the council involved in the building trades shortly after World War II. The upper floor was added after the 1972 Amended Articles were approved under the direction of then President Edward A. Daley, Jr., hence the building was known as the Daley Building.

The Association is managed by a Board of Directors elected by stockholders of the Association. The Kennedy Council controls 51% of the stock of the corporation. At the council's annual election, the council elects members of the Council Shares Committee whose members represent the council at the Association's annual meeting. By tradition, the members of the Council Shares Committee are elected to the Board of Directors of the Association. The Board elects a President, Treasurer and Clerk who act as an Executive Committee. The day to day management of the building is conducted by a Superintendent appointed by the Board of Directors who reports to the President.

The current officers and directors of the Association are: Richard J. Smith, President; Robert A. Mullen, Treasurer; Kevin P. Lavelle, Clerk; Directors John J. Driscoll, Angelo C. Sciaratta, Daniel J. McGrory, Thomas A. (Tony) O'Donohoe, William J. Topham, Paul McDonough, Joseph Mecagni, William H. Flanagan, Jr., Robert T. Timmerman II.

Needham's Unsung Heroes

On October 2, 1881, just 131 years ago, a small group of men met in the basement of St. Mary's Church on Hillhouse Avenue in New Haven, CT. Called together by their 29 year-old parish priest, Father Michael J. McGivney, these men formed a fraternal society that would one day become the world's largest Catholic family fraternal service organization. The Knights of Columbus was officially incorporated on March 29, 1882. Just thirty years later, in 1912, as small group of Catholic men came together from Needham and Newton to form a local council of the Knights of Columbus. These men were dedicated to the teachings and values of the Catholic Church.

"They sought strength in solidarity, and security through unity of purpose and devotion to a holy cause: they vowed to be defenders of their country, their families, and their faith." ¹ These men, for the most part, worked behind the scenes and on a daily basis accomplished what can only be considered truly remarkable.

The Knights of Columbus is a service-oriented organization built on faith and Catholic principles and values, guided by the teachings of the Catholic Church and the vision of Fr. Michael J. McGivney. "The Order has been called "the strong right arm of the Church," and has been praised by popes, presidents and other world leaders, for support of the Church, programs of evangelization and Catholic education, civic involvement and aid to those in need." ²

Four principles guide each council of Knights: Charity, Unity, Fraternity, and Patriotism. These principles are at the core of each Council and are the moving force behind each Council. From its small beginnings in 1912 the Needham Council of the Knights of Columbus has upheld these principles.

The group has grown to a membership of just over 200 men. On November 8, 2009, there was a dedication ceremony re-naming the Needham K of C as the Fr. Daniel J. Kennedy Needham K of C Council 1611. Father Kennedy was a native of Needham and parishioner of Saint Joseph Parish whose life ended much too soon, after only one year of priesthood.

The Father Kennedy Council, following the work of predecessors, is actively involved in many works of community outreach, and charitable works to individuals and groups. The council sponsors events which benefit St. Joseph and St. Bartholomew Parishes in Needham, as well as social events for retired priests of the Archdiocese of Boston, and the elderly of the community in local

nursing homes. The Council is also involved in fostering vocations to the priesthood and religious life by providing financial assistance to those in need. The council also provides meals to the hungry at shelters for the homeless. All of these events are provided in a spirit of solidarity, fraternity, Christian charity, and love.

We are very proud to be called Knights of Columbus. We are proud of our humble beginnings in the basement of St. Mary Church on Hillhouse Ave, in New Haven, CT. under the guidance of Fr. Michael J. McGivney. I know that I speak for our current Grand Knight, Mike Riley, when I say that each of our members is a credit to community, country, and Church.

As we celebrate the 100th anniversary of the Fr. Daniel J. Kennedy Council of the Needham Knights of Columbus, may the Lord shower his blessing upon us as we move forward and look forward to many more years of service for the Honor and Glory of God.

God bless you all,
